

Appalachian Trail	The elusive and slightly sweet scent of juniper berries enhances this woody bar, fresh as the outdoors. Ground juniper berries provide exfoliants.
Black Tea Tree	Inspired by traditional African Black Soap, this bar contains cocoa butter, shea butter, and plantain leaf. Made with our tried and true soap base for good lather and longevity. Cacao and citrus oils balance the tea tree for a complex, earthy scent profile. Excellent for oily skin and young adult "pimple" times.
Chlorophyll & Thyme	Its scent is full of thyme, rosemary, sage, lemongrass, and others. This bar really comes alive when used and is a favorite for many. Natural chlorophyll and organic cloves create a deep green color.
Citrus Sunshine	Summery Fragrance. Ideal for normal skin.
Clean Athletics	Refreshing: The intoxicating fragrance, organic blood orange and bergamot essential oils provides anti-inflammatory benefits. The soap will banish tough post-workout odors with a refreshing scent while providing nutrients to your skin and body that are calming and relaxing. Uniquely Soothing: Aromatic blood orange delivers an invigorating citrus sensation to your shower. Blood orange will aid with muscle repair and is an excellent remedy for various types of pains including those caused by sore and tense muscles. After a long, taxing workout, treat yourself to an invigorating shower experience. Long-Lasting Moisture: Lasts longer than other soaps and contains organic glycerin - a superior humectant and moisturizer - to protect your skin instead of stripping its natural oils. Keep Your Body Healthy: Made with organic essential oils, and no synthetic fragrances, chemicals or residue so you can stay one step ahead of the competition. Our soap is 100% pure,vegan, and safe for all skin types. It contains no parabens,alcohol,petroleum, dyes, fragrances, animal fat, preservatives, or GMOs.
Conditioner Bar	Eco-friendly, Travel ready, long lasting. Great for all hair types.
Dead Head Patchouli	Patchouli lovers, here is your bar. This bar is scented with deep, earthy organic patchouli essential oil while keeping the scent level mild. Organic orange peel provides a bold color and a hint of citrus fragrance.
Dirty Hands	Full of exfoliants - ground apricot kernels and coffee - to help clean the dirtiest hands. Has a bright, fresh lemon scent.
Fragrance Free	Pure organic soap, plain and simple. This bar has no fragrance and no color. A perfect soap for people who prefer a gentle soap with a good lather in a fragrance-free alternative. Especially helpful for sensitive skin or irritating skin conditions such as eczema, rosacea, or psoriasis.
Gentle Baby	Special light lavender scent, and added aloe vera. Makes you feel baby soft.
Happy Valley Sunrise	A blend of sage, lemongrass, and spearmint essential oils resembles the fresh, open spaces.
Honey Bunny	Gentle exfoliant, soft as honey. Help your skin to "bee" all that it can be with this citrus clove blend with notes added from honey.
Lavender Dreams	Organic lavender essential order and organic lavandin essential oils, natural relaxants that contribute to an overall calming experience. It's earthy and floral all at once
Lemon Dee	Made with the fresh, clean, citrusy scent of organic Lemongrass essential oil. Lemongrass is terrific for most skin types and is a favorite bar with families. Ideal for combination skin types, the huge group of people with both dry and oily skin.
Little Evan	Pure organic soap, with a hint of lavender. Great for sensitive skin.
Nittany Woods	Deodorant bar and antiseptic foot soap. Swirled with organic cinnamon.
Oatmeal Cookie	Gentle oatmeal, ground and whole, provides skin-healing exfoliation. Organic ground cloves give this soap a rich, spicy scent. Feel the difference in your skin with this gentle complexion bar good for the whole body.

Orange Lavender	Orange essential oil, with hints of tangerine and lemon, provides a perfect citrusy blend. Lavender essential oil rounds it out. This soap will surprise you with its fragrance that is both bright and mellow. This is a clean light lavender blend with hints of citrus and echoes of deep woods. It reverberates in the heart and is both calming and cheering. Made with organic oats.
Pink Grapefruit	Pink grapefruit essential oil is at once brilliant, deep, and refreshing, perfect for a shower or bath at any time of day or any season. It's a mild, pure pink grapefruit scent.
Rise-N-Shine	Complexity is at the heart of this best-selling bar, equally popular among men and women. Six essential oils – including bergamot, lime, lemongrass, and sage – make for a potent blend that doesn't overwhelm and can't ever really be forgotten.
Rose & Mary	A layered rosemary blend which reveals itself over time. Sweet, refreshing. Contains cut and sifted organic rosemary.
Saturday Morning	A superior face and body bar - Our most popular bar soap.
Shampoo Bar	Great to travel with as you don't have to worry about any potential for spillage or liquid restrictions. The bars are perfect for carry on as not only are they small and lightweight, they are TSA approved, which means you don't have to plan your packing around your hair care products! One bar does it all! An all organic conditioning shampoo in a solid bar form - real shampoo in a solid bar specially formulated with organic oils, organic butters and organic essential oils that nourish your hair and scalp without stripping away natural protective oils. Easy to travel with as it eliminates the need for a bottle of shampoo and a bottle of conditioner. Instructions: Wet hair and bar in very warm to hot water. Rub bar directly on head. Work into scalp and massage thoroughly. Rinse well while continuing to massage scalp. No conditioner needed. These bars can also be used for shaving and showering - great for dry skin!
Shea Honey Oatmeal	A rich, moisturizing bar, loaded with a perfect balance of shea butter, honey, and finely ground oatmeal to fit all skin types, especially if you have sensitive skin. This is pure soap with some extras, extra nourishing, extra cleaning, extra invigorating.
Tea Tree	A wonderful facial soap for troublesome "t zone" areas and those annoying little breakouts. With added aloe vera and organic Tea Tree essential oil
The Mint	A blend of pure mint essential oils combines with organic peppermint leaf to create this invigorating soap. We added menthol for an extra zing of peppermint. Great for the morning shower.
