

Nittany Valley Organics Soap Descriptions

Appalachian Trails	The elusive and slightly sweet scent of juniper berries enhances this woody bar, fresh as the outdoors. Ground juniper berries provide exfoliants
Black Tea Tree	Inspired by traditional African Black Soap, this bar contains cocoa butter, shea butter, and plantain leaf. Made with our tried and true soap base for good lather and longevity. Cacao and citrus oils balance the tea tree for a complex, earthy scent profile. Excellent for oily skin and young adult "pimple" times.
Clean Athletics	Unique blend of organic ingredients designed to wash away sweat and odor and leave the skin clean and invigorated. The blood orange and bergamot organic essential oils, give the bar a fresh and citrus fragrance that helps keep your skin moist and properly hydrated while working to heal dry, rough and irritated skin.
Dead Head Patchouli	Patchouli lovers, here is your bar. This bar is scented with deep, earthy organic patchouli essential oil while keeping the scent level mild. Organic orange peel provides a bold color and a hint of citrus fragrance.
Fragrance Free	Pure organic soap, plain and simple. This bar has no fragrance and no color. A perfect soap for people who prefer a gentle soap with a good lather in a fragrance-free alternative. Especially helpful for sensitive skin or irritating skin conditions such as eczema, rosacea, or psoriasis.
Gentle Baby	Special light lavender scent and added Aloe Vera. Great for babies. Good for the entire family. Makes you feel baby soft. Recommended for Dry or Sensitive Skin
Goats Milk Lavender	Ideal for sensitive skin, or if you have acne, eczema or psoriasis. Moisturizes and keeps your skin healthy and clean.
Lavender	Organic lavender essential oil and lavender essential oils, natural relaxants that contribute to an overall calming experience. It's earthy and floral all at once
Oatmeal Cookie	Gentle oatmeal, ground and whole, provides skin-healing exfoliation. Organic ground cloves give this soap a rich, spicy scent. Feel the difference in your skin with this gentle complexion bar good for the whole body.
Rosie Goats Milk	Smell a rose growing in the garden and immediately you understand its allure. The scent is fresh, soft and warm just like this bar of garden rose goat milk soap. Through a blend of rose, rose geranium and palmarosa organic essential oils, we've accurately captured rose in its natural habitat. Made with fresh goat milk from Byler Dairy in Belleville and natural, moisturizing oils and butters, free of alcohols, detergents and harsh chemicals. We make our goat milk soaps in small batches and hand-cut them into bars.
Shampoo Bar	Great to travel with as you don't have to worry about any potential for spillage or liquid restrictions. The bars are perfect for carry on as not only are they small and lightweight, they are TSA approved, which means you don't have to plan your packing around your hair care products! One bar does it all! An all organic conditioning shampoo in a solid bar form - real shampoo in a solid bar specially formulated with organic oils, organic butters and organic essential oils that nourish your hair and scalp without stripping away natural protective oils. Easy to travel with as it eliminates the need for a bottle of shampoo and a bottle of conditioner. Instructions: Wet hair and bar in very warm to hot water. Rub bar directly on head. Work into scalp and massage thoroughly. Rinse well while continuing to massage scalp. No conditioner needed. These bars can also be used for shaving and showering - great for dry skin!
Shea Honey Oatmeal	A rich, moisturizing bar, loaded with a perfect balance of shea butter, honey, and finely ground oatmeal to fit all skin types, especially if you have sensitive skin. This is pure soap with some extras, extra nourishing, extra cleaning, extra invigorating.
The Mint	A blend of pure mint essential oils combines with organic peppermint leaf to create this invigorating soap. We added menthol for an extra zing of peppermint. Great for the morning shower.
